

**TOWN OF STRATFORD
ASSESSMENT DEPARTMENT**

The Assessor will be updating property inventory within the Town of Stratford, beginning in June of 2021. The purpose of these site visits is to verify the accuracy of the assessment information on file. Many properties can be viewed from the highway. On-site inspections may be necessary if the home is not visible from the road. This is an opportunity for property owners to bring the Assessors' attention to any discrepancies. Please contact the assessment office if you have questions or concerns.

Dave J. Galarneau, Assessor
Town of Stratford
