Highway Department Report for August 2022

Working on cutting shoulders with the grader

Fixing washouts and cleaning trees up as needed

Had rear brakes fixed on truck #8 and replaced rear leaf spring

Put new bristles on the power broom

Getting two hydraulic cylinders rebuilt on the tractor mower which has been down since last month

Did reprofiling and chipsealing on Avery, Seeley and Redhouse rds. Had trucks from Salisbury and Fairfield helping with hauling material and Oppenheim and Salisbury with graders.

R&B Construction fixed the erosion on the bridge by the town hall for about half of his estimate because the water was down.

Have had concerns about keeping Bliss rd open in the winter for emergency purposes.

Was planning on keeping it plowed this winter.

Andy Bell is working on the right of way and survey variances for the Voorhees rd project

Talked with scrap buyers and the going rate for them to come haul it away is 60/40

60 for us 40 for them. Thought about using the proceeds to get rid of the old tires.

Got another quote from TNT for mounting the truck body for \$9,000 which they can do immediately

As of 9/7 still waiting on two others for an estimate-Trius and Viking which they can't do till next year. Need to move forward on the installation.

The equipment that was put out for auction has good offers totaling \$18,942

\$7800 truck- \$8700-dozer-\$1725 welder compressor trailer- \$290 transfer tanks-\$410 old dump box- \$17 misc.tarp parts. Would like approval to send them out.
